24 June 2024

Dear Parents:

St. Leo's Parish community invites you to register your child for our First Communion preparation program. Registration package may be picked up at Sunday Mass from 3rd of August through 29th of September 2024. Registration will take place on:

1 October 2024 at 6:30pm in St. Leo's Church

At the registration meeting, we will give you information regarding the celebration of the sacrament. We will also need a **photocopy** of your child's baptismal certificate (**please note; certificate will not be returned**). There is no cost for sacraments. However, to offset the cost, your \$50.00 donation will be greatly appreciated.

This meeting is for parents and child. We look forward to helping you in this important time of preparation for your child to be further initiated into Christ's Church. We trust that the program we offer will not only prepare your child to understand more fully Jesus' self-gift to them, but that it will enable you to grow in your faith as well.

If you have any questions please do not hesitate to call.

In Christ,

Fr. Nick Defina
